- b. 2 FTE Training Coordinators - Jan Hinde (Fairbanks) and Summer LaFebvre (Anchorage)
- c. .5 FTE Technology Coordinator - Theresa Hofstetter (Anchorage & Glen Allen)
- d. 1 FTE Program Specialist - Raelynn Smith (Anchorage)
- e. .5 IT Technology Admin – Calvin Hansen (Anchorage)
- f. .7 FTE Training Specialist – Lorraine Trask (Fairbanks, funded under Housing: BH ALH training project)

2. Addressing Training Needs/Gaps & Coordinating Responses

- a. ***Training Entities*** - met on June 21 with a representative group from around the state.
 - i. **Training Inventory Matrix work group** – met on Aug. 10 and developed draft data collection matrix for statewide training entities to complete by Aug. 27. From the data collected, a draft Training Inventory will be compiled and presented at the Sept. 19 Training Entities meeting.
- b. ***TTC Staff Activities*** – see staff reports and updates on current projects
- c. ***Collaborations***
 - i. Currently planning & developing potential training project with Diane Casto, Manager of the Prevention & Early Intervention Services with DBH.
 1. Taking Frontline Leadership Institute format and customizing a “Project Coordinator” training in 2011 for first time and/or inexperienced grant coordinators for grantees in rural areas)
 2. Ways for the LMS to be used to track training for certification/training project associated with Prevention & Early Intervention Services
 3. Prevention Fellowship – discussions of placing Prevention Fellow with the TTC office for shared benefit of both programs
 - ii. Meeting with Shirley Pittz, Early Childhood Comprehensive System Coordinator, with DHSS
 1. Discussion and planning ways to use the LMS for tracking of completed trainings done by participants in a future certification/training program
